What is Social Enterprise?

Interested?

Are you new to social enterprise, or an existing organization looking to connect with those within the sector? Join us on October 17th for our one day interactive workshop where you will be **educated** by speakers Elly Green and Kathy Willis, **informed** during round table discussions and **inspired** during the screening of The Social Shift, a documentary on business for the common good.

[Watch "The Social Shift" documentary trailer](#)
